ThaiEasyElec EPS3010S DC Power Supply 30V 10A

Single output and high precision DC regulated switching power supply, with complete operating protection function and the features of high efficiency, low ripple, high stability, small volume and so on. Current-limiting protection can protect the product itself and load against accidental damage. Power supply has the temperature control circuit, intelligent dissipating heat and low noise.

Features
- High efficiency and full power
- Low ripple, small volume and light weight
- Voltage and current dual LED display, High precision
- Stable output voltage, current limiting And simple operation
- Dual input voltage, choose conveniently
- Temperature control fan cooling, Low noise and long service life

Applications
- Production line test
- Electrical equipment repair
- Product aging
- Battery charging
- Laboratory, scientific research and teaching
- Other applications requiring power supply

Technical parameters
- Input voltage : AC 220V/110V ± 10%; 50Hz/60Hz
- Output voltage : 0 ~ 30V
- Output current : 0 ~ 10A
- Ripple voltage : \( V_{pp} \leq 1\% \)
- Efficiency : \( \geq 89\% \)
- Display : 4 digital LED display
- Display voltage resolution : 0.01V
- Display current resolution : 0.001A
- Display accuracy : ± 1% + 2digits
- Working temperature : (-10 ~ 45)°C
- Storage temperature : (-20 ~ 60)°C
- Relative humidity : 90%(40 ± 5°C)

Accessories
- AC Power cord x 1
- Output cable x 1
- Manual x 1

Packaging
- Net weight : 1.4 kg
- Gross weight : 1.7 kg
- Dimensions (mm) : 81(W) x 165(H) x 220(L)
- Packing size (mm) : 120(W) x 205(H) x 290(L)
